Just Development Series

Uitgave van

in samenwerking met

SHAKER
PUBLISHING

The '*Just* Development series' is published by Prisma, association of Christian organisations in development cooperation, in collaboration with Shaker Publishing. This series aims to contribute to the reflection and debate on global cooperation in development in an accessible and scientifically warranted way, in which special attention is given to worldview and religious perspectives. The series contains books in Dutch and in English meant for professionals and other interested people involved in this field.

The editorial board:

Prof.dr. G. van Dijk
