## Acknowledgment

This book is based on *Smart Pricing*, a Dutch book published in 2012 by the Promotion Bureau for the Performing Arts in the Netherlands. For *Smart Pricing*, Hillechien Steenbruggen, Loes Hoogenboom and Ruth Giebels as researcher and/or editor did wonderful jobs. The success of *Smart Pricing* and all the effort of those involved led to this international publication *Pricing in the performing arts*. For *Pricing in the performing arts* I additionally acknowledge Elizabeth Bradley and Ed van Kooten. I especially acknowledge Caitlin Stooker for her help and her useful and interesting masterthesis that was a valuable source for this publication.
